

# Practicing medicine has enough risks. Compliance shouldn't be one of them.

announces our partnership with

The comprehensive, cloud-based portal includes:

- Content streamlined into user-friendly “zones” to manage your ongoing compliance with OSHA, HIPAA, HITECH, and all other requirements
- Increased efficiency while mitigating risk through fully automated processes, reminders, and monthly LEIE database checks
- Toll-free live support from 8:30am-8:00pm ET every business day
- Reliable team of experts on staff, including a nurse, attorney, and medical doctor

**First Healthcare Compliance is offering  
a special 10% discount for all  
Physicians' Care Network physicians.**
